Video Game Designer

Profile

Driven game designer excited to create truly standout experiences that keep players clamoring for more. Experienced with numerous different genres and platforms, I am fully equipped to enhance any game into the best form possible.

Experience: Concept Design, Gameplay Design, Creative Lead, Character Design, Scripting, Debugging, Quality Assurance, Audio Creation, Level Design, World Design, Prop Creation (2D & 3D), Environment Creation (2D & 3D)

Technical Skills

Software: Adobe Illustrator, Adobe Photoshop, Unity, Unreal, Autodesk 3ds Max, FL Studio, Github, Microsoft Office, Google Drive, Microsoft Excel.
Programming: C++, Java, Python, C#, Javascript, CSS, HTML

Experience

Sage Dragon, Silver Spring, MD
Contributor, Spellbroken
Assisted in the design and testing of "Spell Broken", a commercially released game for IOS devices.
- Provided feedback and ideation on in-development mechanics
- Playtested the game for quality assurance purposes.
- Tuned and tested mechanical changes.
- Collaborated with the lead to translate their vision for the game into tangible design philosophies.

Student Project
Team Member, Corrupted Chateau
Acting akin to a director, I synthesized the team's ideas into a cohesive vision for "Corrupted Chateau", facilitated effective communication between team members, and ensured that each aspect would enhance the game past the sum of its parts..
- Synthesized initial ideas into a comprehensive vision for "Corrupted Chateau"
- Composed several songs for the soundtrack
- Communicated between teams to reduce friction
- Created the world layout
- Assisted in level design.

Education

- Pursuing a Bachelor of Fine Arts in Computer Game Design, George Mason University, Fairfax, VA

Awards and Recognition

- 2022-2025 Mason Distinction Scholarship
- 2022-2025 GMU CVPA Dean's list.

Hobbies

- Game Master for table-top RPGS
  - Spearheaded the creation of multiple different groups, navigating scheduling and planning for many members.
  - Created unique campaigns, providing a compelling new experience for group members
